Dear Ms. Fernandez,

This letter is in response to your California Public Records Act request, dated and received in our Office April 2, 2019, for records available as the result of the implementation of Senate Bill 1421; specifically, a copy of a CD taken at Santa Rita jail that was noted on page 89 of the June 27, 2016 Internal Affairs report CA IA2014-036.

BART is currently in the process of ascertaining what videos, if any, are in the District's control and what information, if any, is releasable pursuant to your request. Please understand that in order to comply with the statutory requirements to protect complainant and witness confidentiality, the requested video may require redaction that could take additional time and resources.

The District is endeavoring to comply as swiftly as possible with the changes enacted by SB 1421 to Penal Code Section 832.7 while preserving the safety and privacy of those protected by the statute.

We will notify you of the availability of the records and the cost associated with providing copies to you. Thank you for your patience.

Sincerely,

A handwritten signature in black ink that reads "Patricia K. Williams". The signature is fluid and cursive, with the first name "Patricia" being more prominent.

Patricia K. Williams
